(SECTION : B—SHORT ANSWERS)

(*Marks* : 15)

Write short notes on/Answer the following : 3×5=15

UNIT—I

1. Stop and go determinism

Or

2. Possibilism in Geography

UNIT—II

3. What is cultural region?

Or

4. Define cultural hearth.

UNIT—III

5. Malthusian theory of population

Or

6. Causes of population growth

UNIT—IV

7. Urbanization

Or

8. What is the sector model of urban structure?

UNIT—V

9. Physical environment of Eskimos

Or

10. Economic activity of Bushman

(SECTION : C—DESCRIPTIVE)

(*Marks* : 50)

Answer the following questions : 10×5=50

UNIT—I

1. Define human geography. Explain the nature and scope of human geography. 2+4+4=10

Or

2. Write an essay on man-environment relationship with example. 8+2=10

UNIT—II

3. What is religion? Give a brief account of the major religions of the world. 3+7=10

Or

4. Define language. Describe the global distribution of major language. 3+7=10

UNIT—III

5. What are the key stages of the demographic transition theory? Explain how birth and death rates change during each stage. 2+8=10

Or

6. Discuss the distribution of global population. 10

UNIT—IV

7. Write an essay on the types and patterns of rural settlement. 4+6=10

Or

8. Discuss the trends and patterns of world urbanization. 4+6=10

UNIT—V

9. Briefly explain the human adaptation to the environment with special reference to the Eskimos. 10

Or

10. Who are Gujjars? Explain human adaptation to the environment with special reference to the Gujjars. 10
